### PRINCIPAL'S CORNER

Dear Parents and Families:

Spring is here! We are busy wrapping up our second trimester of the year this week and headed into Spring Break with some Parent/Teacher Conferences. We are fortunate to be in a district that still sets aside time for teachers to be able to sit down and talk with you all face-to-face in the Spring. Please use this time to your advantage. We know how busy your lives are and it is so appreciated when you are able to make time out to come talk with us. Thank you, in advance!

After Spring Break we have an exciting event being organized. On April 12th, we are going to spend an entire day celebrating the world around us! We will hold a full day multicultural celebration. Students will get to select a country in the world to learn more about get to participate in activities related to those countries. In the afternoon we will have our second assembly from Young Audiences, sponsored by the PTA. It is going to be a terrific day!

More information on the multicultural event will come home right after we get back from break. If you are interested in participating in this event or would like to teach a group, please contact your child's teacher.

Have a wonderful Spring Break. We will see you in April!

Sincerely,

Ms. Sande, Principal
